

Grateful

PATIENT PROGRAM

A WAY TO SAY THANKS

During these times of uncertainty, you have the ability to directly thank our selfless healthcare workers. Perhaps a kind word or gesture brought comfort to you. From the registration process, to helpful volunteers, to life-saving procedures, we often hear from our patients and their loved ones how members of the Thomas Health team made a positive difference in their lives.

Gratitude – It's a powerful expression of the heart

Whether you want to thank the frontline workers who have risked their lives to save others or show gratitude for a gesture that brought comfort directly to you, the Grateful Patient Program is the perfect way to show it.

Your donation is an opportunity to say “thank you.” At the same time, your generosity will enhance the experience of future patients and families in need, while maintaining our proud hallmark of world-class, personalized care.

Touching Lives

If your life has been touched by a member of the Thomas Health team, consider making a donation to the Grateful Patient Program in their honor. Gifts can also be made in memory or honor of a loved one.

The staff of Thomas Health's Labor and Delivery unit were there for us during our family's most stressful times. Their compassion and skill made it possible for us to have three healthy babies. We can never repay them!

“

I was so nervous to start chemo, but my healthcare team at the Thomas Health Cancer Center calmed my anxieties and comforted me. Now when I come for treatment, I know I will receive not only exceptional care, but also be greeted with a smile.

Pay it Forward

When you make a grateful patient donation, you impact Thomas Health's exceptional healthcare providers, as well as the well-being of our community. Your gift will change lives, just as your caregiver changed yours.

Your Story

We want to hear about how a caregiver or member of our Thomas Health team impacted your Thomas Health experience. Please include your story, along with your gift. You may remain anonymous if you wish.
